March 2024

~ Strata Council ~

The 2024 Annual General Meeting for Seacrest Village will be conducted on:

TUESDAY 26TH MARCH

Documentation will be sent out by the 5th of March.

Location Seacrest Village Community Centre

Registration will commence at 1.00pm

Meeting will start at 2.00pm

Proxies There is only one vote per property, so where two people own a property a proxy will need to be completed.

Should you be satisfied with the conducting of business by the current elected Council during 2023 and cannot attend the AGM please consider delegating your proxy vote to the Chairman or a Council member.

We've recently received a few questions about proxy harvesting and how many proxy votes one person can hold.

Under the present legislation there is no limit to how many proxies one person may hold, further, it appears that in the new legislation this has not changed.

The only mention of this in the new legislation is as per section 124 (5) which states:

The regulations may impose limitations on a strata manager being appointed as a proxy, including limitations as to the number of lot owners or unit entitlements of lots for which a strata manager may be appointed as a proxy.

Annual General Meetings are by nature private meetings and are only open to owners or their nominated proxies. Anyone else who attends must be invited and seek the permission of the meeting to attend.

Anyone who is present by invitation is unable to participate in the business of the meeting unless they have the permission of the meeting.

A lot owner can attend and leave the meeting at any time. A proxy is only required if the property is registered in joint names, a company, or the owner not attending. It is up to the Chair to regulate the meeting proceedings and allow those present to speak on motions.

Election of Council Members

The procedure for nomination and election of members of a council shall be in accordance with the following rules:

The meeting shall determine, in accordance with the requirements of by-law 4(3) the number of persons of whom the council shall consist of.

The Chairman shall call upon those persons present and entitled to nominate candidates to nominate candidates for election to the council. A nomination is ineffective unless supported by the consent of the nominee to his/her nomination, given in writing, and furnished to the Chairman at the meeting or orally, by a nominee who is present at the meeting.

When no further nominations are forthcoming, the Chairman, where the number of candidates equals the number of members of the council determined in accordance with the requirements of by-law 4(3), shall declare those candidates to be elected as members of the council.

Where the number of candidates exceeds the number of members of the council as so determined, a ballot shall be held.

A warm Seacrest welcome to our newest residents
Craig Edwards and Michael Pinkney and Heather MacWilliam

The picture above is of a honeycomb recently discovered in the roof space of a villa within the village. Kevin McGhie spent many hours removing the honeycomb resulting in a few bee stings in the process. Kevin has asked that if you see bees swarming in or around your abode, please contact him immediately.

Garden bags similar to the pic above are only to be used for GREEN WASTE. Recently other objects have been discarded in the bags, bicycle tyres, boxes, and items of general waste. Please do the right thing and use them for green waste only.

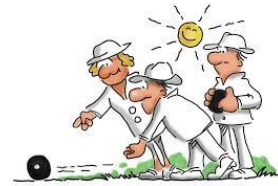

Our garden manager Bev Sullivan has asked me to thank those residents who have assisted during the dry spell by hand watering. Bev hopes more residents could become involved with hand watering to keep the gardens alive until the rains come.
